Please note that authority granted without voting instructions may trigger flagging/disclosure requirements under Norwegian law. Pursuant to section 4-2, third paragraph of the Securities Trading Act, having authority to vote without any voting instructions, are treated in the same manner as ownership of shares or rights to shares. This implies that the proxy will be obliged to flag/disclose the granted authorities if they relate to a number of shares that (together with the proxy's own shares, if any, or rights to shares) reaches or exceeds the thresholds under section 4-2, second paragraph, of the Securities Trading Act.
